

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

ROBERT A. STANARD,

Petitioner,

v.

DEWAYNE HENDRIX, Warden, Federal
Corrections Institution at Sheridan,

Respondent.

Case No. C21-959RSM

MINUTE ORDER

The following MINUTE ORDER is made by direction of the Court, the Honorable Ricardo S. Martinez, Chief United States District Judge: This § 2255 Petition was filed by Mr. Stanard on July 16, 2021, challenging his convictions in *United States v. Robert Stanard*, Case No. CR16-320RSM. Dkt. #1. On October 4, 2021, the Court stayed the instant case pending the resolution of Mr. Stanard's petition to the U.S. Supreme Court for a writ of *certiorari*. Dkt. #11. Ten days later, on October 14, 2021, Mr. Stanard filed a "Motion to Correct the Court and Government as to What Petitioner is Actually Challenging." Dkt. #12. This Motion does not address the Court's Order staying the case. Instead, it appears to be a second reply addressing the Government's Response to the petition, dated September 7, 2021. *See id.* at 1. Mr. Stanard has already filed a reply opposing the Government's Response. *See* Dkt. #9. Mr. Standard

1 does not clearly move for any relief, other than the relief requested in his petition, nor does he
2 include a proposed order.

3 The Court therefore interprets this filing as a surreply and not a Motion. Mr. Standard
4 is essentially hoping to supplement his Reply. Such a filing is not permitted by this Court's
5 Local Rules. *See* LCR 7(g). The Court will nevertheless consider this supplemental briefing
6 once this case is no longer stayed. In the meantime, the Court directs the Clerk to
7 TERMINATE this Motion and remove it from the Court's Motion Calendar. If the Court needs
8 further briefing on the petition it will so inform the parties.
9

10 DATED this 15th day of October, 2021.
